## **General Rules and Tips:**

- All horticultural exhibits should be prepared at home.
- Use clear glass bottles or vases for flower specimens.
- All specimens in the horticultural classes must be grown by the exhibitor.
- Paper plates will be provided for fruit and vegetable entries.
- Foliage and floral material used in design classes can be “acquired” from other sources.
- Make sure all entries have an entry tag and your name is tucked under.
- For info on how to prepare entries consult Ontario Judging and Exhibiting Standards (OJES 2019).
- Store your carrying boxes under tables.

## **For Horticultural Specimens:**

- Classes 1 to 36 – Specimens should be placed in a clear glass container with a small amount of water. Specimens should have their leaves attached.
- Classes 37 to 40 – Specimens will be displayed on a white paper plate, which will be provided.

## **For Design Exhibits:**

- One entry per class in design.
- Beginner exhibitors in design are those who has never won a first class ribbon in previous Manotick Horticultural Society Flower Shows.
- Advanced exhibitors in design are those who have received a first place in previous Manotick Horticultural Society Flower Shows.
